

Just as our children are seeing early signs of Spring in our BHI Academy pollinator garden behind the school, we want you to be aware that Spring is going to be springing forward earlier this year. Be sure to set your clocks ahead one hour for Daylight Savings Time on Saturday night, March 9. And watch this space bud forth with vitality from our Acorns! Stay tuned for updates on how our BHI Academy garden grows—it's just our contribution to making BHI bee and pollinator friendlier. Special thanks to BHI Academy's Bee Master and Gardening teacher Tera Thomas, PhD. And heartfelt thanks to our landlord Tiffany Williams, owner of Tiffany's Beach Properties, for granting us permission to beautify the school building and for supporting the Academy's Bee and Gardening Program.
